

RALPH A. CACCI

Founder and President of V1 Analytical Solutions

Mr. Cacci joined Aurora's Board of Directors in 2016. He has 30 years of national security experience in business, government and the military. Mr. Cacci is currently the founder and President of V1 Analytical Solutions, a professional and technical services firm that provides intelligence, information technology and specialized military training solutions for DoD and Intelligence Community customers.

Prior to V1, Mr. Cacci served as a private equity investor at Relativity Capital, LLC, and as an Investment Banker at BB&T Capital Markets.

In both positions he focused exclusively on mergers and acquisitions in the defense and aerospace industry. Earlier in his career, Mr. Cacci served eleven years at the Pentagon in the Office of the Under Secretary of Defense for Policy. His positions included Director for Plans and Programs in the Office of Russia, Ukraine and Eurasia; Senior Policy Advisor for Counter-proliferation; Senior Policy Advisor for Conventional Arms Control, and Acting SECDEF Representative to the Organization for Security Cooperation in Europe (OSCE) in Vienna, Austria.

Mr. Cacci started his career in OSD as a Presidential Management Fellow. Mr. Cacci serves as a Captain in the U.S. Navy Reserve and has completed three forward deployments to Iraq and the Horn of Africa. Mr. Cacci earned an MBA degree from Harvard University, an MA degree in National Security Studies from the George Washington University, and a BA degree from Stetson University.
